Your child will receive a hot lunch courtesy of the San Antonio Food Bank and will take part in arts and crafts activities, games, nutrition classes, fitness classes and much more! The program is open to children ages 5-13. Dear Avion Place Residents,
Now that summer is here I will be offering more activities, not only for the children but for adult residents as well. In the 5 months I have been here, I have only met a handful of residents; however I look forward to getting to know more of you this summer. I hope to meet more residents and see new faces at our programs and activities. If you are unable to attend an event, I am here Monday- Friday from 9:00 AM-5:00 PM and would like to do what I can to serve you. If you have any ideas or suggestions on what kind of activities you would like to see here, feel free to let me know.

All events are held in the Community Center.
