

# The Bellshire Bulletin

800 Bellshire Drive; Conroe, TX 77301

**July 2011**

Hello Bellshire Community,

Some of your neighbors have already signed up for the Weatherization Program. If you ask them why, they'll tell you that they want to save money on their electric bill. Please apply to qualify for free home improvements that may reduce your electric bills. The applications are available at the Bellshire Activity Center and I can help you complete them. All you need to do is bring proof of your income in order for you to apply for the improvements such as free caulking, free ceiling, wall, and floor insulation, free new windows and doors, and even free new air-conditioning and heating units. Remember, at least two out of three households in your building need to participate in order to qualify for the weatherization project.

The Resident Services Office is located at the Bellshire Activity Center. We offer assistance with information on community resources, including rental and utility assistance, health and wellness, and education and employment programs. We also offer services for children, such as the After School Program and the Bellshire Children's Summer Program. Please feel free to stop by the activity center and say hello.

Thank you! --Mrs. White

## Bellshire Summer Program

**TIME:** 11:00AM - 3:00PM  
**DATE:** Monday to Thursday  
June 6 to August 10.  
**WHERE:** Bellshire
