Smile...It's Tooth Time!

Do your children need dental care but you cannot find the time to take them to the dentist? Tooth Time Community Outreach has a program that provides on-site preventative dental treatment for children ages 1-20. This includes digital x-rays, cleanings, sealants, fluoride treatments and minor fillings in which all are provided by licensed doctors and hygienists. Tooth Time will be coming out to Salado Creek this summer to provide their services for your children. If you would like to take advantage of this opportunity, please stop by the community center to sign up with Janice. Tooth Time at Salado Creek is on June 22, 2009 at 10:00 AM.

It's summer time again, and we have plenty of fun activities to keep your children busy! We will be having our summer program starting June 9- August 5 from 10:00 AM-2:00 PM. Your child will receive a hot lunch courtesy of the San Antonio Food Bank and will take part in arts and crafts activities, games, nutrition classes and much more! The program is open to children ages 5-13. If you are interested in registering your child/children for our summer program, please call Janice in the community center at 210/270-2977 .

Community Reminders

- Rent is due on the 1st and late on the 4th. Money orders are the only form of payment accepted after the 3rd, with late fees included.
- Remember to clean behind your pets and help us keep the community looking good by not leaving your garbage out. Please avoid incurring trash pick-up fines starting at \$15.00.
- Warning: Be sure to have your parking pass visible when parking under the carports; parking policies are being enforced. If you would like a carport pass, stop by the leasing office to purchase one.

Dear Salado Creek Residents,

This summer we will host a free hot lunch program thanks to the San Antonio Food Bank and want to invite all residents ages 1-18 to join us for a nutritious and delicious meal. This can be a great opportunity for our resident youth to meet one another. I look forward to meeting you and hope that I can be of service to you. Lunch will be served from 12:00 PM- 1:00 PM everyday. If you have any questions, feel free to visit me in the community center.
