### Kudos to the Williams Brothers – Side By Side

Hezekiah Jaden Williams and Seneka Keith Williams are the sons of Aisha Williams and big brothers to their sister India Williams. They are two little boys who "live life to the fullest" literally leaving no stone unturned! Nine-year-old third grader, Hezekiah enjoys video games, reading, and science. He also likes having fun with his family. Eight-year-old Seneka is in the second grade and he likes math, recess and science – in that order. They are members of the

After-School Program and they enjoy "doing all the fun stuff that they can do." We are honored to know them and wish them the best in all they do!

Salado Falls residents,

Summer is here and I know everyone is making plans to enjoy family and friends. I have a few events that I want to invite you to, so please mark your calendars. I feel these events will benefit you and your families very much. The New Sound Hearing Aid Center (NSHAC) will administer free hearing, screening and ear exam. Tooth Time Family Dentistry has a community outreach program that provides quality preventative dental care to children. Tooth Time will be on-site, in our community giving exams for free. I have planned for both of groups to come out in July. Seniors 60 years and older please contact me for more information about Project Hope. This program gives you a free box of commodities each month. Please call RSC Sue at 210/227-3914 and sign-up in advance.
