Summer Safety Tips for Kids Pt. 1

The summer is here and our children are ready to have fun. Here are a few safety tips for the kids to remember while enjoying the summer break.

1. Always get permission to go places and check in regularly.
2. Always take a friend with you when playing or going anywhere.
3. Don't be tricked by people who offer you special treats or gifts.
4. When home alone, keep the door locked, and don't open the door for strangers.
