

Stablewood Farms Apartment

July 2011

Dear Residents,

You are invited to go green! Recycling is a big part of caring for our planet, and Stablewood is now providing recycle bins next to the trash cans to help you recycle plastics, aluminum, tin, papers, and glass. Please see the flyer that provides more information on the recycling efforts at Stablewood.

We will also be having work done to the parking lot on July 5, 6, and 8. We have been scheduled for a Real Estate Assessment Center (REAC) inspection at the beginning of August and so, in preparation for this review, we will be conducting a unit by unit inspection. You will receive notice on Tuesday, July 5 of your inspection date.

Thank you,
Electra Davidson, Management
