## The Great American Smokeout

According to the American Cancer Society, roughly 1 in 4 adults and 1 in 5 teenagers in the U.S. are smokers, and lung cancer is the number one cancer killer in America. On November 16, millions of smokers across the country will try not to smoke for 24 hours in an effort to quit smoking permanently. If you smoke, or know someone who smokes, why not try to make that pledge and "Leave The Pack Behind?" Some tips from the American Cancer Society:

- \*Tell everyone you're quitting for the day so they can encourage you and hold you to your promise.
- \*Hide your ashtrays, lighters, etc.
- \*If you're considering permanently quitting, there is help. Contact The American Cancer Society at 800/ACS-2345 for information about support groups, counseling, and other quitting resources.

## November is American Diabetes Month

Diabetes is a disease in which the body does not produce or properly use insulin, a hormone needed to process sugars, starches and other foods into energy the body needs. It affects **24 million** adults and children in America, and **57 million** people are at risk of developing Type 2 diabetes, the most preventable type of the disease. People with diabetes have a higher risk of heart disease, heart attack, and stroke. If you think you are at risk, contact the Community Health Center at the Texas Diabetes Institute at 210-358-7000, or your family physician for resources on how to get tested.

## November is National AIDS Awareness Month

AIDS, or Acquired Immune Deficiency Syndrome, is caused by HIV, or human immunodeficiency virus, that attacks the immune system. It is a virus that can be transmitted through sexual contact, needles, or blood transfusions. AIDS affects millions of people worldwide, and currently, there is no cure, though there are treatments. The good news is that AIDS-related deaths in the U.S. are decreasing; the bad news is that awareness is also decreasing and the spread of AIDS still continues. For **free HIV testing** and screenings, contact the BEAT AIDS Organization at 210/227-4689 or the San Antonio Metro Health STD/HIV/AIDS Program, available at 210/207-8830.

### Some fun with Thanksgiving jokes

1. What happened when the turkey got into a fight?
  2. Why was the turkey the drummer in the band?
  3. What do you call a dumb gobbler?
  4. What sound does a space turkey make?
  5. Why did the turkey cross the road?
- (answers at the bottom of the page)

### FRIENDLY REMINDERS FOR RESIDENTS:

-Rent is due by the 1<sup>st</sup> and is late on the 4<sup>th</sup>. No checks will be accepted after the 3<sup>rd</sup> of the month. Pay your rent on time to avoid late charges.  
-Feel free to share your suggestions about how we can keep Stablewood a pleasant place to live. Simply write them down and drop them in the night box at the office.

1. He got the stuffing knocked out of him.
2. Because he had the drumsticks.
3. A jerky turkey.
4. Hubble, hubble, hubble.
5. It was the chicken's day off.
