Summer Safety Tips for Kids

Summer is here and our children are ready to have fun. Here are a few safety tips for kids to remember while enjoying the summer break.

1. Always get permission to go places and check in regularly.
2. Always take a friend with you when playing or going anywhere.
3. Don't be tricked by people who offer you special treats or gifts.
4. When home alone, keep the door locked, and don't open the door for strangers.
5. Never go into a public restroom by yourself.
6. Never go alone to malls, movies, arcades, or parks. Be sure you have permission first.
7. If you feel lost, identify the safest place to go and ask for help.
8. Stay away from busy streets, deserted areas, shortcuts, pools, canals, creeks or rivers.
9. Never carry items or wear clothes with your name on the outside.
10. Never get into a strange vehicle or go near a vehicle with strangers in it.
11. Wear reflectors and protective clothing when playing or riding your bicycle in the dark.

Summer Enrichment Program

School is out and what better way for kids to enjoy summer than to join the Summer Program at Costa Valencia. The summer program will be held Tuesday, Wednesday and Thursday from 10:30 PM to 12:30 PM. During the program children will have lunch and participate in several activities. The activities will teach things like: nutrition, anger management, character building, social skills, money management, and much more. Please join us for a summer of fun! Teens are welcome to volunteer! Call Shawnnell at 210/645-4544 for more information or drop by the office to pick up your child's registration form.
