MARCH 2017

Dear Residents,

It's unbelievable that we are already in March and Spring is officially starting on the 20th. Spring is one of my favorite seasons because of the mild temperatures and the start of the flowers blooming. It's time to get into the gardening mood! Try to learn how to grow herbs inside your kitchen. Fresh herbs can always add zest to your favorite recipes.

It's a pleasure to serve as your Resident Services Coordinator. Please let me know if you need any resources or referrals, and suggestions are always welcome.

Jacqueline Valdez Reynolds,
Resident Services Coordinator

MARZO 2017

Estimados Residentes:

Me parece increíble que ya estemos en marzo y la primavera ya inicia oficialmente el día 20. La primavera es una de mis estaciones favoritas por sus temperaturas templadas y que es cuando la naturaleza empieza a florecer. ¡Es la época de empezar a disfrutar de la jardinería! Traten de aprender como cultivar especies en su cocina. Las especies frescas siempre les agregan una sazón especial a sus recetas favoritas.
