MANAGEMENT CORNER

Thank you for your continued patience during the construction of the water line behind buildings 6 and 7, and the rehab of Phase 1. We anticipate that Buildings 11 and 18 will be ready for occupancy in June!

We also want to assure you that we are aware of rising concerns over criminal activity at Bellshire and are working with the owner and the police department to improve security in our community. Starting in June, off-duty officers will begin patrolling the property. These officers will be charged with monitoring activity by residents and their visitors, enforcing our parking policies and our 10 pm curfew.

Please remember that residents and guests under the age of 10 must be supervised by a responsible adult at all times. Each apartment may have a maximum of two vehicles parked on property and visitors should park in the visitor parking area. Please review the *Apartment Rules & Regulations* or stop by the office to ask for a copy if you need one.
