OCTOBER 2017

Dear Residents,

Thank you for your patience as we continue to transform our community! We are happy to have 44 new units and to see work begin on the next 44 units in Phase 2. We are also excited about having a renovated pool, and a new Activity Center for future events!

I hope you all have a Happy Halloween! Remember to be careful of children trick-or-treating on the property, especially when driving. Children under 12 years old should not trick-or-treat alone.
