BACK TO SCHOOL SAFETY TIPS

- Teach your children bus safety!
  - Make sure they know their appropriate bus route.
  - Remind them of bus rules, and how to be safe while riding.
  - Practice getting on and off the bus.
  - Practice walking to the bus stop, as well as waiting at the bus stop.

- Make sure children cross far in front of the bus so the driver can see them.

- Be safe crossing the street – use crosswalks and make sure to look out for any cars.

- If your children walk or ride a bike to school, walk the route with them and practice the rules of the road.

- Avoid distractions such as headphones when walking or biking home.
